

BAY AREA AIR QUALITY MANAGEMENT DISTRICT  
SUPPLEMENTAL APPLICATION

**PRINCIPAL ENVIRONMENTAL PLANNER**  
**Planning/CEQA Section, Planning and Research Division**

OPEN: April 10, 2006

CLOSE: April 28, 2006

**Instructions:** Please respond to each of the questions below. Please limit your responses to one page per question. This information may be used to determine those applicants with the most directly related experience, education, and training to continue in the selection process. **Please do not combine your responses or reference your application, resume, or any other requested documentation that you have included with your application packet to answer a question.**

Please be advised that the information you provide will be evaluated **as is** and incomplete or illegible applications will likely receive lower ratings. Therefore, it is very important to provide a concise, organized, and easy to follow response to each question.

1. Describe your education and training that qualifies you for this position. Include your area of study and any degrees and certificates received. Also note any coursework or other formal training specifically applicable to this position.
2. Describe your professional environmental planning experience that qualifies you for this position. Include the number of months or years of experience. Indicate how much of that experience involved air quality planning. If this function was not your primary duty or was not performed on a full-time basis, indicate the number of hours, days or months that the duty was performed.
3. Describe any planning project(s) related to land use issues in which you have participated or lead. Be specific about your role. Include the activities performed, the other parties involved and the nature of your interaction with them, the results of the project(s), and the beginning and ending dates of the project(s).
4. Describe your experience preparing or reviewing land use planning documents and California Environmental Quality Act documents. Be specific about your role and the activities you performed.
5. Describe your experience related to the preparation and implementation of State Implementation Plans, emission inventories and control measure development. Be specific about your role and the activities you performed.

*Please return this signed form attached to your responses.*

I certify that the information provided on all application materials is accurate and complete to the best of my knowledge. I understand that any falsification may cancel any terms, conditions, or privileges of employment.
